### KEY BENEFITS

***Identify Ways for Educators to Work Collaboratively.***

Learn practical ways for special education and general education teachers to work together to make inclusion work with the least amount of stress.

***Creating Successful Co-teaching Teams***

Learn practical approaches and techniques that foster effective collaboration between general education teachers, special education teachers and paraprofessionals... Gain an understanding of personality styles and how they influence behavior, communication and willingness to accept change.

***Broaden Your Options for Planning Time***

Learn how to make time in your schedule to plan with other teachers to meet IEP modifications and goals

***Consider Co-teaching Models that Respect Teacher Personalities and Student Groupings***

Move past having one teacher doing all the teaching and the other teacher focusing students or taking notes. Learn how to utilize each teacher's strengths in the classroom.

***Learn Techniques for Team building:***

Critical understandings for staying motivated and collaborating effectively together.

***Defining Roles:***

Learn how to introduce yourselves and maintain a paradigm that empowers both teachers and maximizes use of professional skills.

***Conflict Resolution:***

Utilize strategies to overcome attitudes and emotions that build walls in collaborative relationships.
